### From the Rector's Desk

What is prayer? THE BOOK OF COMMON PRAYER, also referred to as the "Prayer Book" might be a good place to find that answer! And in the Catechism we find the definition: "Prayer is responding to God, by thought and by deeds, with or without words." There are several types of prayers (BCP, pp. 856-857) but the two we're interested in are intercession and petition. What are those? "Intercession brings before God the needs of others; in petition, we present our own needs, that God's will may be done."

In the leaflet each week there's an insert with a long list of names. It's called a "prayer list," and the folks on that list are either desirous of your prayers, or someone else desires you to pray for them. There's the name of the person who's put them on the list as well as the person's name, in the case of the sick, ill, or injured. Others don't need to be "nominated," such as the members of the military—those are automatic.

When someone's named to the prayer list, the question is asked: long-term or short-term? If there's no answer, the person goes on the short-term 30-day list, and then their name is removed. Some of our long-term people have been on the list for months or years. That list is, by its nature, public. In fact, we hope you take that list home with you and keep it wherever you have your devotional time, so that you may indeed intercede for those people on the list.

Kim Filipowicz, our Congregational Care facilitator (notice the new name!) has begun a new ministry: a prayer chain. This is different from and separate from the prayer list found in the leaflet. For one, it's confidential. Only a few people are members of the prayer chain, and prayer requests are not to be shared outside the members of the prayer chain. For another, it's a one-time event. If you have a specific prayer need, especially if it's a critical event, call me or Kim or Sherri to get it started. A good example might be that if your child is scheduled for surgery you might want to call the prayer chain and ask them to pray for your child "tomorrow morning at ten o'clock." You could also call and ask for your child to be added to the short-term prayer list, but the prayer chain and the prayer list are two completely separate things.

If you have any questions about this new ministry, Kim and I will be happy to talk with you.

Faithfully,

*Paul †*

## Wardens' Corner

Are you making this the best Lenten season ever? Don't blame the snow, the cold temperatures, the missed school days, the missed work days, the canceled Shrove Tuesday Pancake supper. Make this the best Lent possible.

Each year, the Christian Church observes Lent where we, like Israel and our Lord, are tested. We participate in abstinence, fasting, confession and acts of mercy to strengthen our faith. The goal of every Christian is to leave Lent a stronger and more vigorous person of faith than when we entered.

As Christians, we should spend some time reflecting on what obstacles to gospel living exist in our own lives. What we are to give up more than anything else is sin, which is to say we are to give up whatever keeps us from living out our baptismal covenant fully.

We need to approach the season of Lent asking ourselves what needs to change in our lives if we are to live the gospel values that Jesus taught us. Our journey through these forty days should be a movement ever closer to Christ and to the way of life he has demonstrated for us.

**Church School News**

Many thanks to those of you who supported this year's Church School Lenten Project! This year's proceeds, voted on by the Church School students, will be donated to the Jacob Aulman Vick Student Athlete Scholarship. Jacob's parents, Robert and Susan Vick, established a scholarship fund at New Kent High School as a memorial to their son, who passed away unexpectedly during the 2013-2014 school year. Jacob excelled in both academics and athletics throughout his school career. The \$1,050 scholarship is awarded each school year to a New Kent High School graduating athlete who plans to attend a four-year college. Jacob, #50, will live on in the hearts of those who knew him!

The 2014-2015 Church School year will be celebrated on Youth Sunday, which will be held on Sunday, May 31, at 10 am with one service. We will recognize the accomplishments of our students as well as send off our graduating seniors. It is always a treat to hear from our seniors, so don't miss out! Also, the last day for Church School will be May 17.

~ Carol Nelms, Church School Superintendent

**Nursery Coordinator**

Thanks to Janet Gallaher, we now have a new Nursery Coordinator at St. Peter's!

If you would like to assist in the nursery, please give her a call at 804-932-3644. She looks forward to enlisting more volunteers and working with you.

Thanks to everyone who participates in this wonderful ministry!

### Summer Acolyte Schedule

Attention all acolytes and parents!

If you know your vacation schedule and that your children will not be available on certain Sundays, I would like to take those dates into consideration when developing the acolyte schedules for the summer rotas. That will hopefully minimize trading between acolytes and finding last minute substitutions. As you know, sometimes finding a replacement can be difficult.

Please e-mail me at [s.miles@suntrust.com](mailto:s.miles@suntrust.com) by May 1. Also, please be sure to check weekly the rota posted online at [www.stpetersnewkent.org](http://www.stpetersnewkent.org).

Thank you for your assistance with this very important worship role.

## How Music is Part of Our Worship Service

The hymns in the Episcopal Hymnal often are poetry set to music; the lyrics tell a story. Hymns are chosen carefully and specifically to support the readings of the day. Although it goes against our desire to get on with our day, it sometimes takes the lyricist five or six verses to complete the story. The words can be complex and make us pause to understand the meaning. On top of that, few would take issue that the music composer may complicate the matter by setting the lyrics to music that isn't necessarily easy to sing. When that happens we can lose focus on the words. Their meaning is lost and our worship through music is diminished. Suddenly we're looking out the windows or mentally checked out. Even though our music and worship leaders strive to choose hymns that fit the service and our congregation, there is no one-size-fits-all.

What can *you* do to enhance your worship experience through music? Take time to *read* through the hymns Sunday morning as you're quietly waiting for the service to begin. Hear the words and the story being told. Think about them. Your appreciation for the lyrics may grow and your worship experience enhanced, if you take time to read the story and begin to think about the meaning. First, open your hymnal. You can't read or sing if you don't open your book. Read all verses, and discover the message and the faith we proclaim through song.

This story will be sung on Maundy Thursday. It's one with complex words and meanings. Read through the lyrics and discover the message of *Hymn 331—Now, my tongue, the mystery telling*:

### *Verse 1*

Now, my tongue, the mystery telling of the glorious Body sing,  
and the Blood, all price excelling, which the Gentiles' Lord and King,  
once on earth among us dwelling, shed for this world's ransoming.

### *Verse 2*

Given for us, and condescending to be born for us below,  
he with us in converse blending dwelt, the seed of truth to sow,  
till he closed with wondrous ending his most patient life of woe.

### *Verse 3*

That last night at supper lying mid the twelve, his chosen band,  
Jesus, with the Law complying, keeps the feast its rites demand;  
then, more precious food supplying, gives himself with his own hand.

### *Verse 4*

Word made flesh, the bread he taketh, by his word his Flesh to be;  
wine his sacred Blood he maketh, though the senses fail to see;  
faith alone the true heart waketh to behold the mystery.

### *Verse 5*

Therefore we, before him bending, this great Sacrament revere;  
types and shadows have their ending, for the newer rite is here;  
faith, our outward sense befriending, makes our inward vision clear.

### *Verse 6*

Glory let us give and blessing to the Father and the Son,  
honor, thanks, and praise addressing, while eternal ages run;  
ever too his love confessing who from both with both is One.

## *Buildings & Grounds*

Saturday, 7th February 2015  
*Commemoration of Cornelius the Centurion*

Dear friends and parishioners of St. Peter's Parish Church:

I want to tell you about our ongoing Parish House Renovation Project.

Last summer Steve and Joyce Peterson came to the Vestry with a proposal. The Parish House was over fifty years old and had several serious maintenance issues, some of long standing. They wanted to undertake a renovation/restoration project. Rather than attack things piecemeal, they began last August with a complete, professional building inspection followed with extensive interviews with commission representatives, parishioners, and staff.

A prioritized plan was developed that first takes care of things that are "broken," and then follows with features in need of renovating or upgrade. The Petersons then came back to the Vestry with their list, and the Vestry enthusiastically approved and endorsed their plan with gratitude for their foresight and vision.

Thanks to generous benefactors and good investment decisions, St. Peter's Foundation is able to underwrite this project. The Foundation has generated sufficient revenue to fund this type of long-term repair and renovation project of our beloved Parish House, and we are grateful to them for being good financial managers. Joyce writes, "Steve and I are honored to take the lead on the project and we take the responsibility very seriously." Believe me, they have.

Projects completed so far include:

- \* HVAC ductwork cleaned
- \* Well inspection with water flow, volume and bacteria testing
- \* Replacement of two heat pumps
- \* Ductwork repair and new thermostats throughout
- \* Basement crawl-space remediation
- \* Electrical System repair and upgrades throughout
- \* Front Door security camera

And by the time you read this, repairs to the brick floor in the foyer will be complete.

One of the next projects you'll see will be replacement of the damaged and dangerous east window in Richardson Hall. We're also working with our own Catherine Stanley on design and decorating solutions to update the Mullins Room and address the acoustic issues in Richardson Hall.

Joyce says, "It's exciting and gratifying to know that we are acting as good stewards of this lovely resource shared by all of our church family. May God be glorified through this work."

Faithfully,

Paul Rowles, Rector  
Kristin Swynford, Senior Warden  
Steve Miles, Junior Warden

## Parish Life

### Columbarium Update

Last year, the Vestry approved the creation of a work group to plan for the possible construction of a columbarium. This was done for two reasons. First, there were no available plots in our cemetery for traditional burials, and second, cremation has become a popular and cost-effective burial method. In 1998, cremation represented 20% of burials. By 2010, it had risen to 40%.

One of the first things that the columbarium work group did was to conduct a survey of parishioner interest. An electronic survey was made available to all parishioners. Paper copies were available for those who don't use the internet. The responses confirmed what other data had shown—a strong interest in cremation. Almost 70% of respondents indicated they or a member of their family were considering cremation. Interest was the strongest for a price around \$800 per burial niche.

Since then, the Vestry approved clearing additional land adjacent to the cemetery so that parishioners would have a choice between traditional burial and cremains burial. About one acre has been cleared and the cemetery committee is determining how much of that should be used for additional burial plots and the cost of those plots. Additionally, the columbarium work group has contacted a construction firm to obtain a cost estimate and is considering four locations for a columbarium.

St. Peter's own Sarah Barber, an architect, is preparing a sketch that can be used to give parishioners an idea of what the columbarium will look like. Conceptually, the columbarium will be low and long—3 niches high and 12 to 15 wide—using brick that is comparable to the Meditation Garden. The next step will be to obtain a cost estimate for architectural drawings and actual construction cost. With that information, a story board will be set up in Richardson Hall providing parishioners with additional information so that they can provide an expression of interest in purchasing a columbarium niche. If parishioner interest remains strong, the Vestry will be asked to approve construction.

## Honoring the Graduates

St. Peter's 2015 high school and college graduates will be honored in the June/July issue of THE KEYS. A form is available to collect the pertinent information about each graduate. Copies are available in the Parish House foyer and in the church.

We are very proud of our graduates and want to publicize their accomplishments. So, graduates or someone close to them, please complete a form and place it in the Parish Administrator's mailbox in the vesting room before May 10 so we may include this information in the salute to graduates.

May 31 has been designated as Youth Sunday. On this important day, our youth will assist with the 10 am service, Church School awards will be given, and we will recognize our soon-to-be high school graduates and recent college graduates. Everyone will be invited to a special reception that follows the service.

~ Sherri Hardiman, Parish Administrator

## Thanks for Supporting Souper Bowl of Caring

Thanks to everyone who donated to the Souper Bowl of Caring! The youth of St. Peter's collected \$404 and a significant amount of non-perishable foods. All of the donations were given to the New Kent Food Bank, so families in our community will benefit from the donations. Thank you all for your generous support !

## Congregational Care Ministry—Prayer Chain

A **prayer chain** is a commitment by a number of members of our church who have agreed to pray for people in our church and community along with their daily prayers. They are linked, like a chain, to one another so that the needs for prayer can be passed on to all the members of the chain.

### How can you be a part of this prayer ministry?

Contact Kim Filipowicz: [kfilipowicz@traditionalclubs.com](mailto:kfilipowicz@traditionalclubs.com)

**The purpose of Prayer Requests**—Requests are received from anyone at all who feels in need of prayer, or who might have a relative, friend or person they are concerned about, or an issue that they wish to be remembered in prayer. Normally, but not in every circumstance, those being prayed for specifically should know about any request made on their behalf and be in agreement with it going forward.

### How do you make a Prayer Request?

Contact Fr. Paul with your prayer requests at 804.932.4846 or [stpeters.lector@gmail.com](mailto:stpeters.lector@gmail.com).

Or Sherri Hardiman at 804.932.4846 or [stpeters.admin1@gmail.com](mailto:stpeters.admin1@gmail.com).

Fr. Paul or Sherri will contact Kim with the information that you want to pass on to the prayer chain.

**Confidentiality**—The prayer chain does not pass names for use in public worship or to be posted on the prayer board in church. This is a completely confidential process. Members of the prayer chain may only pass on information to other prayer chain members directly. They will not leave messages on answer phones or leave papers in church to be picked up by colleagues. If there is something that you would like to keep private, please make sure Fr. Paul knows this! Share just what you want to share. Be assured that your information will be kept confidential. The prayer chain will only pass along the exact information, as little as it may be, to others **for the purpose of prayer only**.

### What do you need to do?

- Contact Fr. Paul or Sherri if you have a prayer request.
- Contact Kim to be a part of the prayer chain.
