From the Rector's Desk

And now the moment you've all been waiting for. The results of the "service times" survey are in. The result is ... no change. This may be cause for rejoicing for some, or sadness for others, but we want all of you to know that your voices have been heard. This is the first survey I've done, and it's been rather a fun exercise. I've also come to realize how easily one can skew the questions in such a way that the desired results can be obtained, which, considering the reliance some put on polls, is a little frightening.

The reason for the survey was every year when our service times change from summer to winter schedule and then back again, I hear questions about our service times. *Why do we have to meet at ____? Why can't we have services at ____ o'clock?* A survey seemed the best way to handle it. We publicized it in THE KEYS, in The Weekly E-Pistle, and in service leaflet inserts for a few weeks. We really don't know how many people it went to other than who's on the Constant Contact mailing list, that's about 130 e-mail addresses. That's not 130 people, though; some people have multiple addresses, and some households have only one address. Also, any given computer could only be used once. (Tech-speak: responses had to be from different IP addresses.) We received 75 responses, and that's a pretty high number of participants.

Question 1 was about our "school year" Service times. Currently they are 9 and 11 am. Was your preference for those times, or would you prefer 8 and 10 am? About 75% of you said that you'd prefer to remain at the current times, while 25% said you'd prefer the earlier time slots. That was a pretty clear preference, so the Vestry and I recommend no change.

Question 2 was about our "summer schedule" Service time, currently 10 am. Is that good for you, or would you prefer either 9 or 11 am? Note that 8 am was not an option here! These results were much closer. 52% prefer our current 10 am time, 46% prefer the 9 am time, and 1% prefers the 11 am time. The Vestry and I both felt like in the absence of a clear preference for change that we'd continue in our current time slot. We want to reassure those who voted for 9 am that your voices were heard, but again, without a mandate for change, we opted to continue our present scheduling.

Question 3 was a bit trickier. Several people have asked that we begin a "Public Service of Healing." I'd like to do that about once a quarter for now, until we see how much support that Service gets. I've been here long enough to know by now that most of us really don't like going at any time other than Sunday morning! Of the 75 people who took the survey, 52 answered the question in some way; 23 skipped the question entirely. It's difficult to read a reason for non-response, but I don't take it as a negative. I'm taking it that 23 people simply had no opinion as to the time of the Service.

Of the 52 who responded, 39 said "no preference" or "no preference but ... " and then added something. Several said "no preference" but were happy this was going to be an option. Of the remaining dozen or so, no clear trend line emerged. Some representative responses:

- earlier in the month, since many holidays fall at the end of the month
- first Sunday evening of the month

Wardens' Corner

It seems we have witnessed an unusual number of natural disasters around the world in recent months. From the earthquakes in New Zealand and Japan to the tornados across the south and now the flooding along the Mississippi River and Ohio Valley, it is difficult to imagine the hardships being endured. We send out our heartfelt prayers to all those suffering from these disasters, directly or indirectly.

Despite the blooming flowers and the expectation of warm sunny days that spring brings, I always dread the storms and related tornados that often occur this time of year. I think this is in part due to nightmares about tornados I still remember from childhood, which is a bit odd since we were never really threatened by tornados where I grew up (I actually blame it on watching the *Wizard of Oz* at too impressionable an age). Just recently, the tornados hit close to home. We watched them approach, knowing how many lives they had taken or affected before arriving in Virginia. The following prayer has come to mind often recently as I have watched all these disasters unfold:

The light of God surrounds you;
The love of God enfolds you;
The power of God protects you;
The presence of God watches over you.
Wherever you are, God is!

The presence of God is at work in every area of need for those affected by these disasters and those assisting in the recovery. This is the time for us to focus our blessings on those in need through donations, volunteering time or supplies, and most certainly prayer, so they may rise above these situations with hope and faith.

To the St. Peter's Family,

Thanks to all of you for your thoughts and prayers for Clarissa Powell Kornreich; her husband, Scott; and new daughter, Danica.

It has been a stressful couple of weeks, but things seem to be going well and baby Danica is home now with Mom and Dad.

Sincerely,

Marianne Powell & Kornreich Family

Christian Education

Children's Choir

Our final opportunity to sing for the Church School year will be at the single service on June 5, Youth Sunday. We all look forward to having you hear our children's sweet voices one more time before summer is upon us!

Have a restful summer. We look forward to working with the children again in the fall!

and Hawthorne Davis

Kate Bradford to Attend Girls State

Kate Bradford will attend Girls State at Longwood University for a week this June. Girls State is sponsored by the American Legion Auxiliary. Following an essay application and interview, Kate was awarded one of two slots available to rising female seniors from New Kent High School.

Kate will also participate in St. Peter's Youth Mission Trip to Puerto Rico! Way to go, Kate!

Christian Education

As we wrap up another year of Christian Education, I would like to express my sincere thanks to the men and women who work with our children: Karen Moore, Kim von Hitritz, Brian Gellings, Bobby Nelms, Bill Lindsey, Steve von Hitritz, and Edna Christian have tirelessly worked with our children year after year. Many of these teachers have already had their own children go through Church School, yet they still continue to serve. I applaud their dedication and encourage others of you to do the same!

Thanks to all of you who supported the Lenten Art/Bake Sale this year! We raised \$1,000 which has been split between Haitian Relief and the Puerto Rico Youth Mission Trip. Many thanks to Karen Moore who always supplies our great ideas for the craft items! We could not do it without you!

Finally, I encourage all of you to attend Youth Sunday on June 5 at 10 am. This is a time to celebrate our youth who always do a wonderful job conducting the service. We will recognize the graduating seniors: Caroline Evelyn, Christian Harper, and Erich von Hitritz. Caroline and Erich will deliver the homily for the day and the Children's Choir will offer the special music. A reception will follow the service. 'Hope to see you there!

Outreach

Clopton Memorial Scholarship Recipients

Four New Kent High School seniors were awarded one year scholarships of \$1,000 by St. Peter's Parish Church at a reception May 15. Funds for these scholarships come from the Louise Miller Clopton and William Boyd Clopton Memorial Scholarship fund. Awards are made to students who demonstrate strong moral character, religious involvement, community service, motivation, and academic success.

The recipients for 2011 are: Carrie Daniel, who will study foreign services at University of Virginia; Caroline Evelyn, who plans to study fisheries and wildlife at Virginia Tech; Abby Meade, who plans to study nursing at Bon Secours Nursing College; and Eric von Hitritz, who will major in history and minor in German while attending J. Sergeant Reynolds for a year before transferring to VMI/Citadel to pursue a ROTC Army program.

These students were chosen by a committee of the Very Rev'd S. Paul Rowles, Doug Begeal, Denise Fazio, Bill O'Keefe, Janie Philbates, and Sally Smith. Committee members report each recipient demonstrated maturity, strong moral values, and a commitment to their community, while being active in New Kent High School activities. Each recipient reflects well on their families and fully meets the selection criteria of the scholarship fund.

Matthew's Haven

It is with utmost gratitude that I express appreciation for the generous contributions received from parishioners for the Easter Offering. So much can be done with the \$2,463 we received and we truly thank each of you!

Matthew's Haven will sponsor several events during the summer. One event, the Power Pals Summer Camp, is offered by Project Hope, for children involved in domestic violence or sexual assault. Power Pals will be held in the Parish House the last two weeks of June. Another event, Matthew's Haven Annual Back to School Fair, will be held August 19.

In April, Matthew's Haven hosted a collaborative breakfast meeting with community organizations and agencies. This meeting allowed us to get to know the representatives who work to support needy children in our communities and for them to become more familiar with the work Matthew's Haven does. It was a huge success with a total of 30 attendees. A special thank you to those who helped prepare food and set up for the event, including Miriam Ackley, Carolie Kay, Shirley Meyer, Joyce Molina, and Marianne Powell.

10th Annual A Success!!

We had a fabulous day for the **10th Annual St. Peter's Golf Tournament!** Thanks to the generosity of all of you and our church community. Proceeds were close to \$10,5000 to support the Youth Mission Trip to Puerto Rico and other outreach projects of St. Peter's! We were all thinking of Leo Vaisvil as the youth and adults worked together at the event supporting a cause so important to him.

The 10th Annual Committee wishes to thank all the hole sponsors, prize donors, main sponsors, dessert makers, volunteers, and golfers who made the tournament a BIG SUCCESS! A more detailed write-up will be in the next issue of THE KEYS.

Mission Team Heading to Arecibo

This year's Youth Mission Trip is to the YouthWorks! site of Arecibo, Puerto Rico, a town on the north coast of the island. The poverty level in Puerto Rico is nearly twice as large as in the continental U.S.A. The youth are looking forward to experiencing a culture so different from their own, while still being in the United States! They are also looking forward to singing songs in Spanish with the children that we work with in Arecibo. The Mission Team will depart Thursday, July 21 and return Friday, July 29.

The 2011 trip will be in memory of Leo Vaisvil. Leo was a chaperone for the last six mission trips (Daytona Beach, Cairo, Charleston, Savannah, Newport, and Monessen), but he was more than just a chaperone. Leo was also a friend and mentor to the youth. He was the infamous driver of the "party van." He was slow to anger, but when he did get mad, watch out for Lt. Col. Vaisvil! Leo loved the youth, and he will be greatly missed on this year's trip.

The youth have been working hard to raise funds to put towards the trip. We have had several successful fund raisers: a flower bulb sale and our very fun Flamingo Flockings! We would like to thank everyone who has participated in these fund raisers.

The Mission Team will be selling 2011 Mission Trip t-shirts featuring the acorn logo for \$12 each.

There will also be a sponsorship program with three different levels of sponsorship:

- The base level will be a \$25 Sponsor Level. At the Sponsor Level, you will be invited to attend a breakfast presentation by the youth mission team one Sunday morning this fall.
- At the \$50 Silver Sponsor Level, you will be invited to the presentation, as well as receive a postcard from a youth participant on the trip.
- As a \$75 Gold Sponsor, you will receive the same items as the Silver Sponsor, with the addition of a t-shirt in your choice of color.

Forms to order the t-shirts and participate in the sponsorship program are available in the Parish House or you may contact Adriane Marshall at 932-9734.

Thank you everyone for all of your support for this year's trip. We are looking forward to the opportunity to serve in Puerto Rico.

~ *Adriane Marshall, Mission Team Advisor*

Altar Guild

There are three ladies at St. Peter's who make sure the Altar Guild has beautifully laundered, crisp, white linens each week. These linens are expensive and must be treated with care. It isn't a matter of just throwing them in a load of laundry, but rather a time consuming process of soaking, rinsing, washing, and ironing. Then, each piece has to be hand folded the correct way -- never pressed. The Altar Guild would like to thank Margie Harrison, Jayne Thomas, and Miriam Ackley for their commitment to making sure we have beautiful linens as part of our Eucharistic services each week.

Also, St. Peter's looked lovely again for our Easter Sunday celebrations, thanks to the help from Lee and Lindy Brammer, Brett Marshall, May O'Leary, and Cynthia Rowles.

Palm Sunday at St. Peter's

Photos by Loretta Davis

From the Rector's Desk (Continued from page 1)

- last Saturday of the month – or 5th Saturdays – or any Saturday
- midweek, Wednesday or Thursday, 6:30 pm
- 5th Sundays, maybe combined with a simple supper

So, for the remainder of the year, we'll have them on the Saturday before the 5th Sunday, since each quarter has at least one month with five Sundays. In 2011, that will be July 30 and October 29 at 7 pm in Richardson Hall. I'll be discussing the ramifications of this with Altar Guild Chair Kim McLean, so stay tuned for news from there if you're a member of the Altar Guild.

Finally, if you haven't visited www.stpetersnewkent.org, our website, recently, please do! Webmaster Rod Molina really should be called a web-wizard! It's one of the best-designed, professionally, appearing sites I've seen, and the content changes often. It's a great source for information, upcoming events, introduction to our various programs, and genealogical research. We have also recently added a "Donate Now" button allowing you to make a donation through our webpage. There are a lot of options there: A one-time or recurring donation? To the 2011 general fund, the Book of Remembrance, the Rector's Discretionary Fund, or Endowment (St. Peter's Foundation)? On behalf of, in honor of, or in memory of? And so on. One important thing to remember is that those donations are managed by Network for Good, which grants 97% to us and keeps a 3% fee. At the bottom of that page you can choose to make a \$100 donation, for example, of which \$97 would go to St. Peter's and \$3 to Network for Good (NfG) OR you can opt to "donate for charity" and add 3% to your donation, in which case your donation would be \$103 and St. Peter's would receive \$100, and NfG would receive \$3. NfG is a 501(c)(3) charitable entity, so the entire \$103 is tax-deductible for the donor. This will make more sense once you see it. Check it out!

We're looking forward to Youth Sunday on June 5, the first Sunday of our summer schedule. We'll see you at 10 am that day.

It's Eastertide, so I can say it: Alleluia! Christ is risen! *The Lord is risen indeed. Alleluia!*

Faithfully,

Paul †
