## From the Rector's Desk

Let's talk about sex this month. ('Bet that got your attention, didn't it?) Anyone who reads the news or watches television has, no doubt, heard of the crisis affecting the Roman Catholic Church. Each day, it seems, more and more cases of child sexual abuse come to light in the United States, Ireland, Germany, and elsewhere. Some bishops seem to have been apathetic and indifferent to the conduct of priests under their charge. When abuse was alleged, rather than taking what most would consider appropriate action, the priest in many cases was simply reassigned, and the parish to which he was reassigned was not even warned of the priest's conduct in his previous parish. Requests by bishops to depose ("return to the lay state") were met by years of silence, delay, stonewalling, and pleas to "Consider the good of the wider Church."

But this is not a column about the misdeeds of others. For one thing, I am no expert on Roman Catholic polity. For another, I know that the vast majority of Roman Catholic clergy (and laity, for that matter) are good and faithful people trying their best in difficult circumstances. Loss of membership, shrinking budgets, and fewer people seeking religious vocations are problems affecting many churches, including both the Roman Catholic church and our own.

No, what I wanted to talk about this month is sex in the Episcopal Church. More specifically, I want to introduce you to the policy of the Diocese of Virginia regarding sexual abuse and misconduct, both the prevention thereof and the response to it, should it occur.

The basic policy is about a dozen pages long. But there are also eighteen tabs, some of which are divided into sub-tabs. Just about anyone who does anything in the Episcopal Church – more specifically, in St. Peter's Parish Church – is required to read the basic manual. But the basic manual also defines which tabs or sub-tabs must be read, depending on one's position within St. Peter's.

Before this gets too complicated and I go too far afield, let me illustrate. An organist, choir director, or music director is required to read the manual plus Tab B (Screening, Recruiting/Hiring, and Training), Tab F (Organists, Choir Directors, and Music Directors), Tab S (How and Where to Report Suspected Child Sexual Abuse and Adult Sexual Misconduct), and Tab T (Response to Reports of Child Sexual Abuse and Adult Sexual Misconduct). In addition, the full Child Sexual Abuse Prevention Workshop is required, as is the Adult Sexual Misconduct Workshop. A criminal background check, job application, reference check, and background check are also required. Finally, there must be no child abuse conviction on his record. The tab specific to Sam's position is Tab F (see above). The list of positions is long and comprehensive, covering everyone from clergy to secretaries, parish administrators to nursery and child care workers, vestry and wardens, youth workers and sextons. Everyone reads the manual and some specific tabs.

Let me close with some quotes. Tab S-1 is "How and Where to Report Suspected Child Sexual Abuse." First heading: **All Allegations Should Be Reported to Child Protective Services.** Under that we read "The initial report for all suspected child sexual abuse should be made to Child Protective Services via a statewide toll-free hotline at 1-800-552-7096." When to report to the church? If the abuse occurred on church property or during a church event; if the suspected abuser is a member of the clergy; or if the suspected abuser gained access to the child through relationships at the church. **No allegations or complaints should be ignored.** If the suspected abuser is a member of the clergy, call the Bishop at the Diocesan office (1-800-DIOCESE), ask to speak to the Bishop, and say that it is both urgent and confidential. If the suspected abuser is other than a member of the clergy, report it directly to the Rector or other appropriate member of the clergy.

## Wardens' Corner

### To Love and Serve the Lord

Recently, as you exited the church driveway and looked to the left, you would have seen the following words on the back of the sign: *To Love and Serve the Lord*. These are such simple, but very powerful words that are not reserved for any particular group, but for all of us in our continuing Christian growth.

As I write this message in our "Wardens' Corner," I'm trying to juggle numerous work priorities, family priorities, and finally, and generally last, my personal priorities. Unfortunately, the personal priorities always seem to need a kick in the pants pretty often because that's when I really need to take time *To Love and Serve the Lord*.

By the time you read this edition of *THE KEYS*, your Vestry would have completed a very important aspect of their service to our church by conducting our annual Vestry Retreat at the Roslyn Conference Center. As I page through the agenda, I am astonished at the issues, desires, and areas of discussion which the Vestry will engage in to provide the best support to our membership.

Although I have attended "business" retreats on a number of occasions, I pretty much found them to be more "monkey business" than anything else. If a measure of success could be pointed to, it usually involved a day out of the office and away from the phone. More often than not, agendas were generally jeered at and wristwatches were closely monitored for the end of the program.

My view of our Vestry Retreat is anything but that. Our agenda contains an evaluation of what we have done well to discussing items of concern. We plan to set goals for our service to St. Peter's and to identify every opportunity to maintain and increase the involvement of our church family with various programs and activities. It's a tall order, but one that has proven to be a blessing to our personal and leadership oversight.

Unquestionably, we will return from our Vestry Retreat with a revised spirit *To Love and Serve the*

# Christian Education

## Christian Education Update

What a busy spring we have had! The children painted, glued, mixed cement, baked, and more as they prepared for the Palm Sunday Craft/Bake Sale. This was the most successful sale to date! With your help, we raised \$1,066.25 to be contributed to Haitian Relief by way of Episcopal Relief and Development! Thanks, kids! You did a great job!

What a beautiful day we had for the Easter Egg Hunt! We had many hunters and a great time was enjoyed by all.

Note that there will be no Church School on the Sunday of Memorial Day weekend, May 30.

~ Carol Nelms, Church School Superintendent

## Children's Choir News

What a joyful group of singers we have been blessed with in this year's Children's Choir! Their enthusiasm is contagious! They did a wonderful job with "This Little Light of Mine" on Easter Day.

We will sing at the 11 am service on Mother's Day and Youth Sunday.

Practices for these performances will be May 2, May 9, May 23, and June 6.

~ Carol, Joyce, Hawthorne, Marianne, and Jennifer  
Children's Choir Staff

### SUMMER ACOLYTE SCHEDULE

Attention all acolytes and parents!

If you know your vacation schedules, and that your children will not be available on certain Sundays, I would like to take those dates into consideration when developing the schedules for the June and July/August issues of THE KEYS. That will hopefully minimize trading between acolytes and last minute substitutions. Please e-mail me at [afabritz@yahoo.com](mailto:afabritz@yahoo.com) before June 10, 2010. Thank you for your assistance.

~ Allan Fabritz, Acolyte Guild Master

## Save the Date for VBS!

Please mark your calendar for Vacation Bible School at St. Peter's. Plan to be here August 2 through August 6, from 9 am -12 Noon.

This is always a big project and we appreciate all the support that you give us. Look for more information to come soon.

## Pastoral Care

Prayer, care, and concern for our fellow parishioners and their families and friends are a vital ministry at St. Peter's. There are several ways to make any pastoral care needs known: 1) you can call the Church Office, 2) contact Jean Mansfield, or 3) contact Nancy Goodman. Jean is the chairperson for the Pastoral Care Commission and Nancy is the Vestry Liaison.

In an effort to improve our prayer list for illness, we have divided the names to make two lists, one for short term needs and the other for long term care. Both of these lists are kept in the notebook on the podium in the Parish House foyer and are updated often. Many of you are already familiar with making additions to or deletions from the lists in this notebook. If you choose to do so, please make the change to either the short term or long term list and note your relationship to the person named.

The *short term* list will be used for parishioners, their families, and friends having an illness that is not expected to last long. Their names will be kept on the list for 30 days unless we are advised to keep them on longer.

The *long term* care list will include names of home bound, serious conditions, etc. Names will be kept on this list until we are notified to take them off. If you have a long term situation and would like to share it with us, we have a confidential list letting us know about the situation and how best to contact these individuals with cards, visits, phone calls, etc. We will not post or provide information to anyone to protect the privacy of individuals on the confidential list.

It is very important to keep us informed about names on both lists so we know how to best provide pastoral care. It also helps us keep accurate records for the reading of the prayers on Sunday mornings.

In addition to pastoral care for the ill, the commission keeps a prayer list of individuals serving in the military. Please let us know when to add or delete someone from the military list.

We look forward to serving you. Please don't hesitate to contact us. You can e-mail Jean at [JeanandMajor@aol.com](mailto:JeanandMajor@aol.com) or call at 804-779-2105, or e-mail Nancy at [nsgoodma@vcu.edu](mailto:nsgoodma@vcu.edu) or call at 804-662-7475 (work) or 932-3609 (home).

~ Jean Mansfield and Nancy Goodman

### Resource & Development News

One of our parishioners, Corinne Dorsey, has generously hand-knitted a beautiful afghan and donated it to the Resource Committee for us to raffle. Watch for further details in upcoming issues of THE KEYS.

We would like to remind everyone that Mother's Day will soon be here. In honor of Mom, we are offering our jewelry at a 10% discount. We have some beautiful jewelry for sale, including a limited number of silver crosses. Please visit Martha's Gift Shoppe.

~ Donna Wright for the R & D Committee

### Wardens' Corner *(Continued from page 2)*

Lord, which I trust will be manifested in the continued growth of our beloved St. Peter's. But, you don't have to be on the Vestry to receive this uplift or recognize scripture passage on the back of the sign. St. Peter's offers extraordinary opportunities to serve in so many capacities. For a number of parishioners, this service becomes a personal ministry of service which is such a blessing to not only the parishioner, but also our church. If you have a desire to serve in any capacity in the life of our church, it is as simple as making your desires known to any Vestry member, any committee member, or certainly our Rector.

*Commit to the LORD whatever you do,  
and your plans will succeed.*

### St. Peter's 9th Annual Golf Tournament Brookwoods Golf Club

Our **9<sup>th</sup> Annual** is just days away – Friday, May 14! If you would like to organize a team or sponsor a hole, please let us know as soon as possible – it's not too late! All proceeds benefit our youth mission trip to Daytona Beach, Florida, and other mission/outreach projects.

You can support this important fundraiser by organizing a team (4 person team, captain's choice format) - \$75 per person or \$300 per team which includes green fees, cart, beverages, dinner and prizes! Our goal is 25 teams. Non-golfers, you can sponsor a hole for \$50 – we place an advertisement or sign with your logo or name at one of the 18 holes during the tournament to show your support! Thank you to those who have already signed up as sponsors!

Please call any of the **9<sup>th</sup> Annual Committee** members with any questions: Kristin Swynford (557-3533), Patty Peterson (966-7310), Traci Carlson (966-7251), May O'Leary (932-3354), or Nancy Goodman (932-3609). Flyers and sponsor forms can be found in the foyer of the Parish House.

### Youth on a Mission

Thanks to everyone who supported the Youth Mission Trip at the Pancake Supper! This is a big fund raiser for the youth, as well as the Annual Golf Tournament on May 14.

This summer, St. Peter's Youth Mission Team will be going to Daytona Beach to serve the community. What will we be doing in Florida? I'm glad you asked! Daytona Beach is known for its beautiful resorts and recreational activities. However, did you know that nearly 24% of the population lives below the poverty line and an estimated 2,600 people are homeless? In a resort town, it is often hard to keep up with the high cost of living. While in Daytona Beach, we will partner with local organizations and programs to staff children's programs, centers for the elderly, soup kitchens, homeless shelters, and thrift stores. We will be very busy!

Thank you for any support that you offer to the Youth Mission Team. Look for a presentation about the trip from our group in the fall. This year's Mission Team consists of Kate and Becky Bradford, Ashley Pierce, Kelly and Jonathan Gellings, Caroline Nelms, Torun Carlson, Kim Poad, Chris McKinney, Wil Miles, and Erich von Hitritz. Chaperones included on the team are Adriane Marshall, Leo Vaisvil, Kristen Honeycutt, and Fr. Paul.

## Martha's Gift Shoppe Update

It occurred to me during the congregational Annual Meeting that I need to be giving regular updates on what Resource and Development does as a commission of the church. We have been in existence since 1992 and started as a commission of St. Peter's to raise money for the church for those things not covered by the budget. We started out researching and developing items (hence "R & D Committee") and projects connected to our church by design or historical significance. Our first project was a t-shirt/sweatshirt design, funded by two of our members, since we had no start-up money. We doubled our money on that project and used that income to fund the next project. Over the years, we have developed items for sale from ornaments, door stoppers, books, jewelry, bookmarks, and cookbooks. We have held several fund raisers such as the *Trash or Treasure Sale* at the county fair. A Vestry member asked me if we really make any money. We now have around \$40,000.00 worth of merchandise to sell and have approximately \$10,000.00 in our bank account, with no debt.

Our beloved Anna Davis retired as one of our Co-Chairs January 2009. She is still a part of our committee and Peg Noctor, thankfully, took her place. There are twelve of us. We would love to have more members and more marketing ideas. If any one of you has an idea, we would love to hear it.

So, where has the money gone? We have provided the funds for items including a piano, our new fire cressets, a dishwasher, two ovens, a highchair, blinds, vacuum cleaners, Sunday School supplies, and many other needs over the years. If you have a need, send us a written request before you purchase, please. If it is something to add to the buildings or grounds, you will need Vestry approval first. We are a Historic Landmark and there are rules regarding what can be added to the building. Our committee is also required to have the Vestry's approval if the item costs more than \$1,000.00.

We have appreciated all of your support over the years. We hope to continue to be successful in our service at St. Peter's.

~ *Lindy Brammer and Peg Noctor*  
*R & D Committee Co-Chairs*

*(Continued from Page 1)*

When it comes to adult sexual misconduct (Tab S-3), "Anyone who learns of sexual misconduct by a colleague is obligated to report that misconduct to appropriate church officials in the event the victim or offender refuses to do so." It should be reported to a member of the clergy from the affected parish, but if a priest is involved, another member of the clergy from the parish should be notified. If the priest involved is the only clergy for the parish, the parish warden should be notified. Then "the clergy member or warden receiving the report of suspected misconduct should promptly notify the Bishop's office."

From my experience on April 15 involving my being a witness to the deposing of another priest, I can tell you that Bishop Shannon takes both child sexual abuse and adult sexual misconduct quite seriously. I share his concern, and I promise you that I will work towards making sure that St. Peter's is in compliance with both the letter and the spirit of the Diocesan policy.

I am your brother in Christ,

*Paul †*

## Honoring the Graduates

St. Peter's 2010 high school and college graduates will be honored in the June issue. A form is available to collect the pertinent information about each of them. For your convenience, copies are available in the Parish House foyer and in the church.

Graduates (or someone close to them), please complete a form and place it in the Parish Administrator's mailbox in the vesting room by May 14, so we may include this information in the salute to graduates.

June 6 has been designated as Youth Sunday. Our youth will assist with the 11 am service, Church School awards will be given, and we will recognize our soon-to-be high school graduate. ~ *THE KEYS Staff*

## From the Road . . .

Hello St. Peter's,  
Greetings from Robert, Louisiana, where Leo and I are camped an hour from New Orleans and our children. Life these three weeks has been an exciting adventure!

Getting THE KEYS together long distance and on-the-move has been a learning experience and I thank Sherri for her patience.

Thanks, too, all of you for the articles and photos. You've made this a less-than-horrid experience.

You're in our thoughts and prayers. 'See you at the 9th Annual!'
