## *From the Interim Rector's Desk*

I know you will tell me I'm way off my rocker when I tell you that the interim period is a delicious time for a congregation! It has the expectation that we experience in Advent as we, especially children, impatiently wonder if Christmas will ever come and will we get all that we have hoped for and then some? But that sets us up expectations that the next Rector will be a savior and we already have one. But it is a time of sweet anticipation.

Some might compare the time to Lent. A time of reflection, denial, and making a better start as we look toward the "Queen of all Feasts," Easter. We get off to good starts, but by Easter, back into old patterns again, and again.

So why is it delicious? There is that expectation of looking for a new Rector and what that will mean for the life of St. Peter's. God has certainly blessed St. Peter's, and there ought not to be any trepidation that God won't continue to do so. Reflection as they say, is good for the soul! And it is always a good thing to take a look at where we've been, where we are, and where we want to go. None of us like being lost or the sense of going around in circles, or not learning from our past – good, bad, or indifferent.

So it is a delicious time of just being. Continuing on with what our Lord desires of us, and keeping the Search Committee in prayer as they seek a new Rector. We pray and support them as they do the hard part, and do not worry! It is a spiritual exercise and most search committee members will say they grew spiritually in the process. Why wouldn't they, since they have committed to pray and seek God's guidance on this new Rector? God honors that process, any process in which we seek to discern God's Will for our church, and for ourselves.

Well you know this will not be the last you hear about this. Enjoy this delicious time of being with God and seeking to discern what God wants from and for us in this delicious time of interim! I know I will because it is a joy to be with you during this period!

Doug †

The Rev. Dr. Doug Wigner

### Harvest

Summer plays beneath the sultry sun  
Autumn brings lots of work to be done...

~ Terri Guillemets

Autumn certainly is a time of increased activity and work. School is back in session. Likewise, St. Peter's is back to its full schedule of activities, with our two service worship schedule at 9 and 11 am, and Christian Education at 10 am. The Search Committee will begin its work to find a new Rector. The Vestry will be assuming greater responsibilities in day-to-day operations of the parish in the absence of a full-time Rector.

At Fr. Paul's last Vestry meeting, he supplied the Vestry with a comprehensive inventory of projects, large and small, that will need the attention of the Vestry and congregation. There are 26 items on this inventory. This list is posted on the main bulletin board in the Parish House foyer.

The Vestry needs help and input from all parishioners. We need volunteers who are willing to undertake small handyman repairs and improvements in and around the Parish House, Church, and on the grounds. The smaller projects include such things as putting numbers above the doors of the Church School classrooms, fixing the playground gate latch, painting the iron railing by the nursery, repairing the exterior of the garden shed, painting handicap signs by the nursery entrance, painting of the Church sign at the entrance to the grounds, and making temporary repairs to the potholes in the parking lot and driveway. If you can help with any of these projects, please send me an email at [nkcomm@yahoo.com](mailto:nkcomm@yahoo.com).

And we need your thoughts, comments, and prayers in making decisions concerning more major projects which are under consideration by the Vestry. One of those projects is repaving the parking areas and driveways to the Church and Parish House. St. Peter's Parish Foundation funded a study of the parking lots and driveways at a cost of approximately \$16,000. The design plan prepared by AES Consulting Engineers provides for re-grading and paving of the driveways and installation of a drainage system. The project could take as long as six months and would have to be done in stages to avoid total disruption of use of our facilities. The cost estimates range from \$200,000 to as much as \$325,000, depending on the scope of the work and type of surface used on the driveways and parking lots. The Vestry would be asking for funding assistance from The Foundation and St. Peter's Restoration Association. If you are interested in seeing the design plans and discussing the project, please contact me or any Vestry member.

Two other major projects which need attention are the repair and possible redesign of the steps at the entrance to the Church and a handicap ramp from the Parish House parking lot to the Church. With regard to the entrance to the Church, the Vestry has discussed extending the brick in front of the wooden threshold by another course of bricks, giving a wider brick step in front of the threshold. In addition, the Vestry has discussed the installation of a ramp as an alternative or some combination of

both a wider step and ramp. Also, handrails have been suggested. As to the handicap ramp, several different plans have been prepared and discussed. Again, if you are interested in discussing these plans, please contact me or any member of the Vestry.

These projects will be on the agenda for Vestry meetings this fall. Please share your thoughts concerning these projects with the Vestry. As you can see, the Vestry will be busy this autumn and needs your assistance and prayers.

## Congregational Care

### Congregational Care Opportunities

#### Prayer Chain Ministry

Is God calling you to join our Prayer Chain Ministry? Currently, we have 20 members! Want to witness the power of prayer? Please contact Kim Filipowicz to join this ministry.

#### Home Parishioners Ministry (Communion at Home)

The Holy Eucharist is the principal act of Christian worship, and the services of the Church are meant to incorporate all of us together in one Communion. When any of us is unable to be present for the Eucharist due to illness or infirmity, our clergy and lay ministers in Congregational Care try to ensure that these parishioners receive visits from St. Peter's and have the opportunity to receive Communion. In addition to Doug, now Matt Dolci is pleased to be licensed to bring the consecrated elements from the Eucharist to those unable to be present on Sundays, and looks forward to being a part of this "Eucharistic Visitor" ministry at St. Peter's Parish Church. If you are interested in receiving a visit at home, including prayers and Holy Communion, please contact Doug at (757) 293-8801 or Matt at (804) 467-8679.

Jesus said, "I am the bread of life; whoever comes to me shall not hunger, and whoever believes in me shall never thirst."

*John 6:35*

#### College Parishioners Ministry

It is time to update the college student parishioners' contact information. If you are a parent of a college student, please contact Ann Bradshaw at [ann@saycheez.com](mailto:ann@saycheez.com) to confirm your child's contact information.

#### Meal Team Ministry

If you know of a parishioner who is in need of receiving meals, please contact Jennifer. To join Meal Team Ministry, please contact Jennifer Macotto at [macottojen@aol.com](mailto:macottojen@aol.com) or 703-731-4386.

#### BUBBLES Adult Bible Study Ministry (Needs a Director/Directors)

Biblical Understanding through Bourbon, Bar nuts, Laughter, Explanations, and Suds.

Parishioners ages 21-50 are called Bubbles Draft.

Parishioners ages 51 and up are called Bubbles Vintage.

I am looking for one person, one couple, several couples or two friends to lead this potentially multi-generational adult Bible study ministry. The sky is the limit on ideas to make this wonderful ministry come into fruition. It is just important to me to create a Bible study offsite of the church grounds for people to interact with each other and indulge in a beverage with the sole focus of helping all participants to form a closer relationship with God. This ministry can be internet-based so everyone will relate to a weekly objective but meditate/study the word of God on their own. If God is calling you to be the director of this ministry, please contact Kim Filipowicz.

## Congregational Care *continued*

### **Knitting Ministry** (New Director – Elizabeth Remorenko)

St. Peter's newest ministry already has 8-10 interested knitters! This knitting circle held their first meeting on September 24 to begin their first project. Anyone who is interested in joining this ministry is welcome—NO knitting experience required! For more details, please contact Elizabeth Romenko at [elizabeth.remorenko@gmail.com](mailto:elizabeth.remorenko@gmail.com).

### **Ministry for the Military** (Needs Volunteers to Join this Ministry)

#### **Remembering our Veterans**

James Matthew Bowcock was born November 9, 1884 in Clarksburg, WV. He attended university in Denver, Colorado and worked for a time as a clerk in a retail store, before being accepted into the US Foreign Service of the State Department.

At the young age of 25, he was posted in the consular service to the State of Prussia in Germany. In 1914, he applied for an emergency passport in Bern, Switzerland so that he could leave Germany and assume a new post in Cairo, Egypt. He registered for military service in both WWI and II, but as he was already serving his country as a Foreign Service Officer, he was deferred from the drafts for each conflict.

He served in Rome, Italy from 1918–1922, when he was transferred to Munich, Germany. In June of 1922, a young lady from Tunstall, New Kent County, Elizabeth Merriweather “Bess” Richardson, embarked from New York City aboard the “Province,” one of the many luxury liners that regularly crossed the Atlantic. There is no record of how James and Bess met, whether here or in Europe, but in June of 1924, we find Bess crossing the Atlantic once again. This time she and James were married at the American Consulate in Germany. There are numerous records of their crossing the Atlantic on various ships as they came home on leave and returned to duty. They lived in Munich until late 1938. When the storm clouds of WWII gathered, Bess returned home to live with her parents in Richmond. James stayed at his post until he was recalled in April of 1941. His return home was on a Pan American “Flying Clipper,” one of the first commercial airliners to cross the Atlantic. On that flight he was met and interviewed by none other than Ernie Pyle, who would go on to serve as a respected and beloved war correspondent.

His final assignment with the State Department was as Vice-Consul to the Canary Islands. This small country was owned by Spain during WWII and accommodated both Allied and Axis diplomats in a continuing cat-and-mouse game of espionage and subterfuge. It must have been a capstone experience to his many years of service to his country.

In April 1955, James and Bess returned to Europe one final time to visit friends and acquaintances made over more than 35 years of service abroad. James died in 1957 and Bess lived on until 1988. They are buried side-by-side in the cemetery at St. Peter's Parish Church.

We give thanks for the lives and service of James Bowcock and his wife Bess Richardson.

In the next issue, we will look at the service records and story of Captain Isaac Tyree who is buried in an unmarked grave in our church cemetery. If you know any of the history or family or other information about Captain Tyree, please contact Jess Fowler at (804) 898-0378 or [jessfowler01@gmail.com](mailto:jessfowler01@gmail.com).

**If God is calling you to share your talents by being part of this growing commission, Congregational Care, please contact Kim Filipowicz, at 804-400-2369 or [kimflip8@gmail.com](mailto:kimflip8@gmail.com).**

#### **Note of Appreciation**

*St. Peter's Family,*

*Thank you for all your prayers, concerns, texts, cards, and food that you have sent to me over this past month since I have been sick. I appreciate everything you have done for me, and I hope I am getting stronger each and every day. Lots of prayers have been said for me, which has gotten me through this difficult time; I know they work! I have a long road ahead but with God's strength and healing, I hope to be good as new in a few months! I am not a person that can just rest and do nothing so this has really been hard on me, but if it gets this staph out of my body, I can handle it. Thank you all again for everything!*

## Parish Life

### Annual Parish Picnic Appreciation

Our Annual Parish Picnic took place on Sunday, August 5 at the homes of Boogie and Paul & Marian Davis. The Davis Farm has been the location for the picnic for many years and we were welcomed there again this year with wonderful weather, delicious food, a recap from our Vacation Bible School participants, and highlights of the Youth Mission Trip as well. Our deepest gratitude goes out to our gracious hosts, the Fellowship Committee, and all of the parishioners behind the scenes that make this event so special.

If you need an update on your 2018 pledge, please send an e-mail to [stpeters.treasurer1@gmail.com](mailto:stpeters.treasurer1@gmail.com) or leave a voice message at 804-932-3925.

## Invitation to Join St. Peter's Tour Guide Group

When encountering new people at various social functions, do you enjoy meeting them and sharing stories? Do you have a little time on your hands to give back to your church? If you've answered "yes" to both of these questions, then a great opportunity awaits!

St. Peter's is looking for additional tour guides to join our dedicated group of volunteers. You only need to be proud of the history here at St. Peter's and willing to share it. Literature will be provided, and the style of delivery is an individual choice. Perhaps you are curious and want to know more? Please call Sherri in the church office at 932-4846 and we can discuss this wonderful opportunity. I'd love to hear from you!

~ *Sherri Hardiman, Parish Administrator*

## Annual Giving Campaign

For this year’s Annual Giving campaign we would like to set a goal to increase our total pledges by 10% from the 72 we had in 2018 to at least 79 for 2019. Your pledge is a vital tool for our budget planning for the coming year. Be sure to look for the display in the Parish House and see how we are progressing.

# Worship

## Acolyte Training

Please schedule Sunday, October 21, at 10:30 am in the Church for training and orientation for new St. Peter’s Acolytes. We welcome all who are interested!

If you would like to join this group, or just curious and have questions, please phone Steve Miles at 804-690-3002.

Thank you to all who serve in this very important role for St. Peter’s.

~ *Steve Miles*

## A Music Note

**Shout with joy to the Lord, lift up your voice, rejoice, and sing. Psalm 98:5**

Our music theme for this year is taken from *Psalm 98*, which instructs us to sing, to rejoice, and to shout with joy to the Lord. It tells us to sing to the Lord with the harp, the voice, with trumpets and the horn. Shout with joy before the King, the Lord. Sing to the Lord a new song, for he has done marvelous things. I love this *Psalm*!

The time before the service is perfect for personal prayers and meditation. Once the service begins it is time to actively participate through listening, responding, and singing. Make the most of each service and participate in all components. Congregational singing continues to improve. Applause to you!

Speaking of applause – what about that choir? Thomas Jefferson spoke of music as “the favorite passion of my soul.” I believe our music family shares that passion. They love what they do and it shows. Are you being called to join us? Are you ready to lift up your voice in song? Choir rehearsals are Wednesday nights at 7 pm. Join us!

May God bless all who join in singing!

~ *Joyce Molina, Organist and Choirmaster*

### *Prayer of Discernment*

Eternal God, you are the good shepherd who cares for your Church and through whom all things are possible. We lay the life of our parish before you as we search for a new Rector.

Renew in our parish a sense of your love and mission, that we may serve the people around us and be guided to the priest who, as our Rector, will care for this parish and equip us for our ministries.

Guide those involved that they may listen with patience and trust to the voice of your Holy Spirit. Bring us peace to know that, in your time, your will shall be done.

Give us grace and courage to follow where you would lead, that your Name may be glorified through us as we carry out your work of reconciliation and caring for others.

We pray for your servant, now unknown to us, whom you have already chosen to be our Rector, to heed your call with joy and praise.

All this we ask through Jesus Christ, our Lord and Savior.

*Amen*
