From the Rector's Desk

It's hard to believe that by the time you get this we'll almost be into the month of June. We have just switched the church from heating to cooling! The last few months seem to have gone by quickly, but now summertime is upon us.

We are in search for people to fill two very large vacancies. Jeff Fazio, our beloved "Rex Festivus" or "King of all Festivals," is hanging up his apron. He has served as chair of the Hospitality/Fellowship Committee and has done very well. A quote from St. Peter's Commissions descriptions will tell you what they do: "This group is dedicated to planning and staffing our times of fellowship and celebration. Organizing coffee hours, lemonade Sundays. Maintains kitchen inventory and supplies. Publicity and food planning for special events such as Wedding Reenactment, Garden Tour, Progressive Dinner, Harvest Feast, Sweetheart Banquet, Stewardship and Annual meeting luncheons and others." It's a large group of folks who now find themselves in need of leadership. Might you be the one?

Nancy Goodman is laying down her pen as facilitator of the Pastoral Care Commission. Here's what that Commission does: "This ministry will provide pastoral care to parishioners in need at St. Peter's. St. Peter's members experiencing short-term needs, such as cooking meals, running errands, hospital visitations, emergency babysitting and transportation to medical appointments, even visits to shut-ins." There are also four sub-groups:

1. Funeral Assistance - This group will be responsible for assisting families with coffee or receptions in the Parish House in the event of a funeral. Coordinate with [Building and Grounds] for parking shepherds and other support.
2. College Students - Also a part of this ministry will be regular correspondence to St. Peter's college students with special notes, cards and packages, keeping up with their addresses and up date with events happening at St. Peter's. When students are home for vacations, extend special invitations of any special events or functions so that they may attend. Jessica Evelyn continues to carry out this ministry.
3. Christmas Baskets for Shut-ins - Baskets are filled with goodies for St. Peter's shut-ins who are unable to get out. Items such as stamps, note cards, fresh baked goodies, a FORWARD DAY BY DAY booklet of daily readings and other donated items are collected and delivered to the individuals prior to Christmas.
4. Birthday & Special Occasion Cards - Cards are sent to those celebrating birthdays and special occasions (e.g., anniversaries, births, or graduation).

Another group in need of leadership. Might you be the one?

Our one-service-at-ten-o'clock summer Sunday worship schedule begins May 26, Memorial Day weekend. This year it will run through September 22, which will also be Restoration Sunday. The third Sunday in September (the 15th this year) is traditionally Restoration Sunday, but it's also the date of the Bishop's visit, so the Restoration Committee has graciously offered to move Restoration Sunday to the following Sunday, September 22. One odd thing this year is that the Bishop's visitation will be an afternoon visitation, not a morning visitation. You'll hear more about this later.

Faithfully,

Paul †

Wardens' Corner

It has been two years since I joined the Vestry. Time has flown by for several reasons, with the failure of the HVAC system near the top of the list. At my first Vestry Retreat, in February 2011, I was selected to take over the commission of Buildings and Grounds. In March, the oil-fired boiler failed and the renovation process began. The extensive project was headed by Ken Rubert and our then Senior Warden, Bill Lindsey. After several months, the church had a new energy efficient two-LP-boiler system with all new piping.

Two years later, one of our boilers wanted to make sure it had not been forgotten. An internal leak developed in the #2 boiler. Many folks may not have known of the failure because of the design of the new system. We have a two-boiler system, in which they share the load most of the time. When a problem arises, one boiler can run the entire system; however, it is not as efficient when running on just one boiler. Ken is facilitating the warranty process and a new replacement boiler should be installed this summer.

St. Peter's boiler system design seems to reflect the dynamics of our church. The truth is that be it the Vestry, Altar Guild, Youth Mission Trip, or any other group within the church, we do not have to share the load to get things done. However, the most *effective* and *efficient* way to do so is by relying on others and working together.

Bear ye one another's burdens,
and so fulfill the law of Christ.

Church School News

Many thanks to those who supported the 2013 Lenten Project, "Nets for Life." With your help, we were able to raise over \$1,000 to help purchase treated nets to aid in preventing malaria! The children worked very hard during Lent preparing crafts for our sale! As always, we had some great items. Thanks also to those who contributed a baked item for this sale. I now have a nice walkway of stepping stones to mark the many years we have been doing them as a Lenten Project. How time flies!

As we wind down another year of Church School, I must thank the dedication of the following people who have given of their time to work with our children: Karen Moore, David and Kristin Swynford, Thomas and Carrie Evelyn, Kim and Steve von Hitritz, and Bill Lindsey. I would especially like to thank Steve von Hitritz for the many years he has worked with our high school students. Steve will assist the adult class next year!

I hope you will all join us Sunday, June 2, as we honor St. Peter's graduates! This is a wonderful celebration as we hear from our graduating seniors. This year we will be treated with special homilies from both Kelly Gellings and Ashley Pierce. Please come and support our youth!

Have a restful summer and we will look forward to seeing you in Church School next year!

VBS 2013 - Kingdom Rock

Don't forget VBS is going to be held July 29 through August 2, from 9 am to 12 noon. We are gearing up for a wonderful week where we will *Stand Strong for God* with our Kingdom Rock theme! VBS is a week where children participate in many activities like crafts, games, snacks, movie time, and of course Bible studies. This is open to all children from rising pre-schoolers to children preparing to enter 6th grade. Older children are encouraged to help out by volunteering as much as they can!

Once again this year, we are participating in the Operation Kid to Kid program which ties in with our VBS materials. We will be sending GOD'S LOVE FOR YOU booklets to children in India who are at risk for being trafficked, maimed, or otherwise abused. Our children will be learning about the geography of where India is in relation to us, how they live everyday, and what we can do to help them learn about God's love. In addition to funding the booklets, half of the proceeds raised during the week will be going to Matthew's Haven to purchase supplies for their Back to School Fair.

A sign-up sheet and VBS registration forms will be available in the Parish House foyer very soon. Please prayerfully consider how you could best volunteer your services this year! We have several positions that still need to be filled. If you have any questions or if you would like to volunteer, please contact Stacey Wood by phone at 804-932-9516 or by e-mail at stwtbw@hotmail.com.

Matthew's Haven

Matthew's Haven Denim & Diamonds "Chair"-ity Auction will be held at Royal New Kent Golf Club on Saturday, June 8, starting at 6:30 pm. Tickets are \$27 and they are available from Catherine Pierce, Ann Bradshaw, Joyce Peterson, Sue Sitterson, Martha Danielson, Marianne Powell, and Joyce Molina or online at www.matthewshaven.com.

Admission includes hors d'oeuvres, beverage tickets, and the opportunity to bid on more than 50 fabulous items of all sizes and values. A sample of auction items includes 15 themed chairs, artwork from local artists and craftsmen, golf packages, an airplane ride, and a chance to bid on the use of a pontoon party boat at River's Rest Marina, along with dinner. Please encourage your friends and neighbors to join us and help Matthew's Haven continue its work to help change the lives of local children in need.

Our volunteers have worked very hard and spent much time and effort into achieving donations, advertising, ticket sales, as well as other tasks. We are positive this event will be an exciting evening!

A huge thank you to Joyce Molina, Joyce Peterson, Ann Bradshaw, Sue Sitterson, Martha Danielson, Carolie Kay, and last but not least, Mark Whidden.

Matthew's Haven continues to grow and evolve. In addition to all of our regular annual programs, we have recently added a few more services to assist the needs of our clients. We are pleased to announce that we have added Books for Babies, an early literacy program for infants. In cooperation with Heritage Public Library and Healthy Families, Matthew's Haven will provide a kit which includes a hard board book, bib, and information for parents on how to interact with babies to introduce literacy.

Upon bringing the appropriate information to the library, they will issue the child's first library card. Heritage Public Library has agreed to introduce this program to parents and their babies during their summer reading program. It will kick off the week of June 17. A Story Time specifically designed for babies and their parents will be held prior to the regular story time program on Fridays during the summer. This program is designed for any baby and family and does not specifically need to be for an at-risk child or child in need; however, this will be our focus. If you know of someone who may be interested in this fun kit, please have them contact Matthew's Haven and we will be happy to provide them free of charge.

In addition to the Books for Babies program, we have developed Baby Bundles. These bundles include many layette items as well as diapers, toiletries, etc., all designed for newborns. These bundles are purposely planned to suit a baby boy or girl. So when there is a need to provide these items for a newborn, they are ready to go, all packed together in a small laundry basket with a blue or pink ribbon. Stop by the Matthew's Haven room and see our current Baby Bundles! (Thank you, Carolie Kay.) We will gladly accept donations for this project: size 1 diapers, wipes, small/trial size powder, shampoo, baby wash kits, onesies, bath towels, crib or bassinette sheets, and more. Remember, any contribution to Matthew's Haven is tax deductible and a receipt will be provided upon request.

Please stay tuned for future announcements regarding Matthew's Haven as we will be sharing even more exciting news soon!

12th Annual St. Peter's Golf Tournament

Our **12th Annual Golf Tournament** was not only successful but we all had a fabulous time! And the weather was absolutely perfect! We raised over \$12,000 for youth mission and outreach projects such as Habitat for Humanity and Matthew's Haven--a special **12th Annual** indeed!

The winning team was Team Files (Alan Files, Cam Frostick, Scott Pearson, TJ Pearson). Team Files scored a 13 under par 59 to win the tournament. Congratulations Team Files! Robert Hatley made a hole-in-one on hole #17 and won the cash prize of \$168. Clayton Evelyn was our youngest golfer ever to participate. And Paul Rowles' team, Mulligan Four, did NOT come in last place!

Support for our tournament was outstanding from our five main sponsors, 55 hole sponsors, team sponsors, prize contributors, golfers, and volunteers. Our five main sponsors were Willie & Deb Downs, CRH Catering, Evelyn Logging, Say Cheez! Photography, and Charles City Timber & Mat. Without our main sponsors, we wouldn't be able to make such a significant contribution towards our mission/outreach projects.

Thank you to all of our volunteers who remained enthusiastic and positive, which made the tournament so enjoyable! Three volunteers served as terrific beverage cart "ladies": Catherine Pierce, Stacey Wood, and David Swynford who preferred the name, "Cart Bartender" over "Cart Lady." Kathy Lindsey and Cynthia Rowles worked the Power Ball Hole #15 and raised a sizeable amount of money for our great causes. Julie Vaisvil helped register all of the golfers. Austin Pierce stayed all day and performed any task asked of him. Brian and Jon Gellings placed the 55 hole sponsor signs around the course. Wil Miles and Jon Gellings donated their time since they were home from college. Kelly Gellings came early to assist with the preparation of our dinner. And, of course, Ann Bradshaw was busy taking photos of all the teams during the tournament. Thanks, everyone!!

Thank you to the Peterson Girls (Joyce and Patty) for organizing the dinner with Nancy Goodman's guidance. Special thanks to Charles Evelyn for donating the barbeque and thank you to Catherine Stanley for making the baked beans. Also, thanks to our dessert makers: Evelyn Waring, Julie Vaisvil, Ann Bradshaw, Kathy Lindsey, Cynthia Rowles, Sandra Gellings, Debbie Gentry, Lisa Lumpkin, Kim von Hitritz, Kim McLean, Traci Carlson, Shirley Meyer, Mava Miles, and Emily Clay Evelyn. Special thanks to the Youth Mission Trip team, headed by Adriane Marshall, for helping with the dinner and serving, and to Torun Carlson and Austin Pierce for recording the team scores.

I can't say thank you enough to the ladies on the **12th Annual Committee** who made all of this happen. Kristin Swynford gave so much of her time and effort in securing prizes for our tournament. She goes to great lengths to get the best prizes for our tournament! Patty Peterson and Traci Carlson brought in 55 hole sponsors – our most ever! And, a big thank you to our newest member, Joyce Peterson, who hooked up with Patty Peterson to provide another yummy dinner!

2013 Clopton Memorial Scholarship Recipients

This year the Clopton Scholarship Committee: Fr. Paul, Doug Begeal, Denise Fazio, Karen Lange, Bill O'Keefe, Sally Smith, Kristin Swynford, and Janie Philbates awarded two scholarships to New Kent High School graduates.

Congratulations to both candidates!

Alyssa Bushhouse will attend Virginia Tech where she will major in Industrial Design.

Ashley Pierce will attend Longwood University where she will major in Elementary Education.

The qualities that these two young women possess reflect well on their parents, as well as their own efforts. They are definitely a reason to be hopeful about the future. Getting to know Clopton Scholarship candidates through the interview process is a source of invigoration for each member of the committee!

Parish Life

Annual Parish Picnic – August 4

Annie and Boogie Davis, along with their families, have once again invited St. Peter's to their beautiful Pamunkey River home for the Annual Parish Picnic on Sunday, August 4.

The service of Holy Eucharist will be celebrated at 11 am, with a shared lunch and afternoon of fun fellowship to follow. Everyone is asked to bring one or two dishes to share, and blankets or chairs. Plates and utensils, tea and lemonade, ice, and fried chicken will be provided.

Please bring swimsuits, sun screen, towels, and water toys. Boats and kayaks are welcome as well. Life preservers are recommended. You may want to bring coolers with ice for food left over from lunch—in case you want to stay long enough to eat again!

As a reminder, **EVERYONE'S** help is needed to take down tables, to clear trash, and other clean-up details following the day's activities. **Helping with clean-up is a great way to say thank you to the Davis family for their very generous hospitality.**

Directions to the Davis Farm will be available in the Parish House foyer. Please call the church office or Kristin Swynford (557-3533) if you have any questions. In the event of inclement weather, there will be a message on the church voice mail.

Travel by car or boat and enjoy worship and a wonderful day on the beautiful Pamunkey!

Parish Life Vestry Representative

Congratulations, 2013 Graduates! Best Wishes Always!

College

Anna Stuart Burnett earned a Master of Science degree in Environmental Science & Policy from Johns Hopkins University. She is currently employed by the Chesapeake Research Consortium in Edgewater, Maryland.

Blair Goodman earned a Master of Environmental Management degree from the Nicholas School of the Environment, Duke Environmental Leadership, at Duke University. She continues her employment at Tidewater Environmental Services, Inc. in Charleston, South Carolina. Special congratulations to Blair, who also celebrated her wedding on May 25!

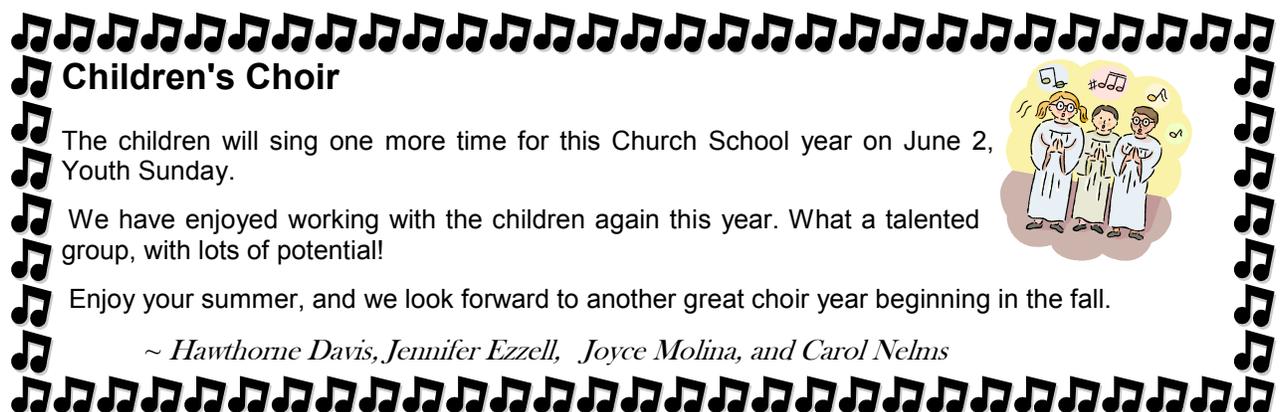

Casey O'Leary earned a Bachelor of Arts degree in Communications from Bridgewater College. Her future plans are not yet decided.

High School

Kelly Gellings is a graduate of New Kent High School. She plans to study childhood education at James Madison University.

Ashley Pierce is a graduate of New Kent High School. She plans to study elementary education at Longwood University.

~ Sherri Hardiman, Parish Administrator

Children's Choir

The children will sing one more time for this Church School year on June 2, Youth Sunday.

We have enjoyed working with the children again this year. What a talented group, with lots of potential!

Enjoy your summer, and we look forward to another great choir year beginning in the fall.
