From the Rector's Desk

I've been thinking of death a lot lately. Got your attention now? Two friends recently died, one from pancreatic cancer and the other from liver failure caused by a rare infection, and both died much too soon. Then came the balloon accident in Caroline County that killed three people, two of whom were connected with the University of Richmond, all of whom died much too soon. The University of Richmond women were 24 and 44, and the pilot was 65.

The subject came up in our last Vestry meeting, too, in a more roundabout way. Currently there are no burial lots available in our churchyard. There are vacancies, of course; a lot that has a capacity of six might have only two currently occupied, but the lots have all been sold. So if you wish to have your remains reside at St. Peter's until the general resurrection, your option is limited to having your cremated remains interred (just the ashes – no urn) or scattered in the Memorial Garden.

The number of people choosing cremation has increased significantly. In 1996, 20% chose cremation; in 2011 that number had increased to over 40%. In some states, the number is over 70%. Part of the reason is cost, since cremation costs about a third of a traditional burial, but there are many other factors in play as well.

Some time ago, when the Curling expansion of the Clopton Meditation Garden was in the planning phase, there was discussion of incorporating a columbarium in the wall. But it was decided to keep the Meditation Garden strictly a place for meditation, and not change it to be both a memorial garden and a meditation garden.

The subject of a columbarium has come up again. If you're unfamiliar with them, think of a Post Office box large enough to hold two urns. Typically it's a wall that can be straight, curved, serpentine – brick, stone, or a combination of the two – possibly a bench or two for visitors – as you can see, there are a lot of options. The Vestry has formed an exploratory work group to determine if there's enough interest to go forward, and if so, where it would go, what it would look like, all that sort of thing. If you're interested, please let me or Bill O'Keefe know (billlo38@icloud.com).

Finally, let me encourage you to have "that conversation" with your spouse or a loved one. Mortality is not optional, as much as we might like to think so, nor do we always get much warning. Making plans ahead of time makes sure your wishes are respected and that someone else doesn't have to make those difficult choices for you.

Faithfully,

Paul †

Wardens' Corner

As I prepared to write my first column for the *Wardens' Corner*, I felt the pressure of a deadline and the feeling that I must write something that has never been written before—something powerful in the form of the written word.

I reflected on the season that we are celebrating in the liturgical church year. As I write, we are in the 5th Sunday of Easter. Remember that Easter is not just “Easter Day,” it is the fifty days from Easter Day until the Day of Pentecost. These fifty days form our great “Sunday” of the year. *Alleluia! Christ is risen. He is risen indeed. Alleluia!* forms the greeting in every service during Easter. Similarly *Alleluia! Alleluia!* is added to the dismissal and the people’s response. These help to give these celebrations a distinctive and festive feel.

Easter is about opening our hearts, our minds and our souls—our entire being—to celebrate the new life of Christ's resurrection that has been given to us in our baptism, and that Christ wants to strengthen and make strong through the sacraments of the church, especially the Eucharist. Easter is about accepting the joyful grace of our risen Christ and letting go of those things that hold us back from truly being all God wants us to be. Most of us want to be in control of our lives, and often we are afraid to give up what we know in order to walk in the unknown in faith. There are many who prefer to stay in darkness and confusion, and some don't want to let go because the price of surrender is too high. The risen Christ calls us out of the tombs that entrap us, offering us new life by placing all of our trust in Him.

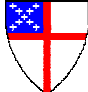

As I began to translate what the Easter Season means in our parish life at St. Peter's, I thought about the accomplishments we celebrate each year, as well as the challenges we continue to face. We just completed another very successful St. Peter's Golf Tournament —our 13th Annual. The weather cooperated, the food was good, and the golfers were plenty. We are finishing up another year of Church School, Children's Choir, and Adult Education, as we prepare for the summer break. Youth Sunday is right around the corner. Our high school students will be graduating and heading off to college. Our Youth Mission Team

is preparing for another trip this summer. There are so many wonderful things to celebrate at St. Peter's Parish Church!

But, we continue to need new people, new ideas, new skills, and new volunteers. Please consider a new opportunity to participate more actively as you celebrate the new season of life during Easter. In closing, *Thank You* to all that serve this church in so many ways.

Children's Choir

We will conclude another year of Children's Choir on Sunday, June 1—Youth Sunday. Joyce, Hawthorne, and I have so enjoyed working with your children.

We would like to thank the Vestry who approved the purchase of a cotta for each choir member. We hope to wear them on Youth Sunday.

Rest your voices over the summer, and we will look forward to a great start in the fall!

Vacation Bible School

Stacey Wood will be leading VBS again this year. Please mark your calendars for July 28 - August 1, from 9 am to 12 noon, for *WEIRD ANIMALS — Where Jesus' Love is one-of-a Kind!* VBS is open to children from rising pre-schoolers to children preparing to enter sixth grade.

We are looking for older youth and adult volunteers to help. A sign-up sheet will be placed in the Parish House for enrollment, so stay tuned for that. If you have any questions about volunteering or registration, please contact Stacey Wood at 804-932-9516 or e-mail her at stacey@woodsbodyshop.com.

Worship

Altar Guild Thanks

Thanks to Padgette for her help in storing the palms in preparation for Palm Sunday. It was a lifesaver!

Thanks to many helping hands, St. Peter's looked beautiful for our Easter celebration. Cyndi Burnett, Kendall Hatley, Lindy Brammer, Janie Philbates, Padgette Evelyn, Sally Smith, and Barb McKinney outdid themselves this year designing the church windows. Thank you to Barb McKinney for providing the potted palms. Finally, for everyone who signed up to give a flower, thank you, too, for it is only from your generosity that we are able to fill St. Peter's with such abundance.

On another note, we will be having our annual altar guild meeting soon. Date and time will be announced later.

~ Kim McLean, Altar Guild Chair

Church School News

Many thanks to all who supported this year's Art/Bake sale! We raised \$768 which will be split between Matthew's Haven and Episcopal Relief and Development (Bees and Honey).

I would like to thank Karen Moore, Carrie and Thomas Evelyn, Kristin and David Swynford, Kim von Hitritz, and Bill Lindsey for another great year of service to our children. All of these leaders have continued to be flexible and positive no matter what I have asked of them. Next year we are looking for additional adult volunteers to help co-teach! We would like to divide the middle and high school classes again. We are blessed to have great children to work with. Won't you consider giving some of your time to impact a young life? Please contact me if you are interested or if you would like to learn more.

Please join us on Sunday, June 1, at 10 am as we celebrate the conclusion of another Church School year. You will hear from our graduating seniors: Becky Bradford, Madie Miles, Caroline Nelms, and Philipp von Hitritz. Please pray for them as they prepare and deliver their remarks.

Outreach

13th Annual St. Peter's Golf Tournament

We had a hot but rain-free day for our *13th Annual Golf Tournament*. Everyone had a fabulous time and we raised close to \$12,000 for youth mission and outreach projects such as Habitat for Humanity and Matthew's Haven...a very lucky *13th Annual* indeed!

The winning team was Evelyn Logging (Thomas Evelyn, Clayton Evelyn, Jamie Hudson and Chris Creswell). Evelyn Logging scored a 13 under par 59 to win the tournament! Congratulations Evelyn Logging! We had our first all ladies team consisting of Carrie Evelyn, Catherine Pierce, Ann-Thomas Forrest and Kathyn Horsley. I would like to recognize Neil Quimby who donated the hole sponsor signs that we display each year throughout the 18 holes of the course. Additionally, he donated our very large "St. Peter's Golf Tournament" sign that we have used all 13 years! On another note, Neil got to play this year for the first time!

Support for our tournament was outstanding from our six main sponsors, 48 hole sponsors, team sponsors, prize contributors, golfers and volunteers. Our six main sponsors were Cranemasters, CRH Catering, Evelyn Logging, Say Cheez! Photography, BEVINCO, and Charles City Timber & Mat. Without our main sponsors we wouldn't be able to make such a significant contribution towards our mission/outreach projects.

Our volunteers not only donated their time, but also their enthusiasm and positive attitude which made the tournament so enjoyable. Our volunteers included our three terrific beverage cart ladies: Wanda Porter, Stacy Wood, and Ashley Pierce. Joyce Peterson also filled in during the last hour of the tournament to serve the beverages. Miriam Ackley worked the Power Ball Hole #15 and raised a lot of money for our wonderful causes. Jon and Kelly Gellings, along with Kim Poad, were the first volunteers to arrive and the last to leave! And, of course, Ann Bradshaw was busy taking photos of all the teams during the tournament.

Thank you to Nancy Goodman who, without fail, organizes the most wonderful meal for our golfers. Special thanks to Charles Evelyn for making the barbeque and baked beans. That was the best tasting barbecue I have ever had! And thank you, Padgette Evelyn for making the cole slaw. Thank you to our dessert makers: Emily Clay Evelyn, Charlotte Woodall, Mava Miles, Lisa Lumpkin, Shirley Meyer, Kim von Hitritiz, Erica Holland, Debbie Gentry, and Denise Fazio. Thank you to the Youth Mission Team, headed by David Swynford, for helping with the dinner and serving. Also, Torun Carlson recorded the team scores. And Gunnar ate all the cookies!

I can't say thank you enough to the ladies on the *13th Annual Committee* that make all of this happen year after year. Kristin Swynford worked very hard in securing the very best prizes for our tournament. Patty Peterson and Traci Carlson brought in a great number of hole sponsors—close to 50! And again, a big thank you to Nancy Goodman who provided another delectable dinner!

ST. PETER'S ANNUAL PARISH PICNIC ~ August 3

Anna & Boogie Davis and Paul & Marian Davis, along with their families, have once again invited St. Peter's to their beautiful Pamunkey River home for the Annual Parish Picnic on Sunday, August 3. The service of Holy Eucharist will be celebrated at 11 am, with a shared lunch and afternoon of fun fellowship to follow.

Everyone is asked to bring one or two dishes to share, and blankets or chairs. Provided items will include plates, utensils, tea, lemonade, ice for the beverages, and fried chicken.

Please bring swim suits, sun screen, towels, and water toys. Boats and kayaks are welcome as well. Life preservers are also recommended. You may want to bring coolers with ice for food left over after lunch — in case you stay long enough to want to eat again!

As a reminder, **EVERYONE'S** help is needed to take down tables, clear trash, and other clean up details following the day's activities. Many helping hands make light work! **Remember, helping with clean up is a great way to thank the Davis family for their generous hospitality!**

Directions to the Davis farm will be available in the Parish House foyer. Please call the church office or Ben Evelyn (240-1324) if you have questions. In the event of inclement weather, there will be a message on the church voice mail.

So, join us for worship and a wonderful day on the beautiful Pamunkey!

How to Prevent Falls

My last newsletter article included tips for preventing fires. A second component to the National Fire Protection Association conference was preventing falls. No one, of any age, likes to fall; however, falls are a major threat to the health and independence of older adults, people aged 65 and older. Each year in the United States, nearly one-third of older adults experience a fall.

Falls can be devastating. About one out of ten falls among older adults result in a serious injury, such as a hip fracture or head injury, that requires hospitalization. In addition to the physical and emotional pain, many people need to spend at least a year recovering in a long-term care facility. Unfortunately, some never return to their homes.

Falls can be deadly. Falls are the leading cause of injury deaths among older adults. The rate of fall related deaths among older adults in the United States has risen significantly over the past decade.

The good news is that the opportunity to help reduce falls has never been better. The eight tips listed below can significantly reduce your risk of falls.

Exercise regularly to build strength and improve your balance and coordination. Ask your doctor about the best physical exercise for you.

Take your time. Get out of chairs slowly. Sit a moment before you get out of your bed. Stand and get your balance before you walk. Be aware of your surroundings.

Keep stairs and walking areas free of electrical cords, shoes, clothing, books, magazines, and other items.

Improve the lighting in and outside your home. Use nightlights or a flashlight to light the path between your bedroom and the bathroom. Turn on the lights before using the stairs. See an eye specialist once a year—better vision can help prevent falls.

Use non-slip mats in the bathtub and on shower floors. Have grab bars installed on the wall next to the bathtub, shower, and toilet. Wipe up spilled liquids immediately.

Be aware of uneven surfaces indoors and outdoors. Use only throw rugs that have rubber, non-skid backing. Consider non-skid pads under rungs. Always smooth out wrinkles and folds in carpeting. Be aware of uneven sidewalks and pavements outdoors. Ask a family member or friends to clear ice and snow from outside stairs and walkways and always use hand rails if available. Step carefully.

Stairways should be well lit from both the top and bottom. Have easy-to-grip handrails installed along the full length of both sides of the stairs.

Wear sturdy, well-fitting, low-heeled shoes with non-slip soles. They are safer than high heels, thick-soled athletic shoes, slippers, or stocking feet.

If you need additional information, please don't hesitate to call me at 804-966-1853, ext. 5123.

Burial at St. Peter's

Presently, burial at St. Peter's is limited to those who own burial plots or those who choose to have their ashes scattered or interred in the Memorial Garden.

Since the preference for cremation has increased significantly, from 20% in 1996 to over 40% in 2011, the Vestry has set up a work group to determine if St. Peter's should construct a columbarium. A columbarium is a wall that contains niches where ashes of loved ones in urns or other appropriate containers can be permanently housed with identifying plaques.

The first task of the work group will be to conduct a survey to determine parishioner interest in cremation and burial at St. Peter's. Parishioners who would like more information about the construction of a columbarium should contact Vestryman Bill O'Keefe by e-mail at bill038@icloud.com or by phone at 804-966-7370. Your feedback is important!
